

Food Safety Challenge

This document allows you to see all the questions asked of the children completing the Food Safety Challenge. This is all done online at <http://tinyurl.com/uomschools>

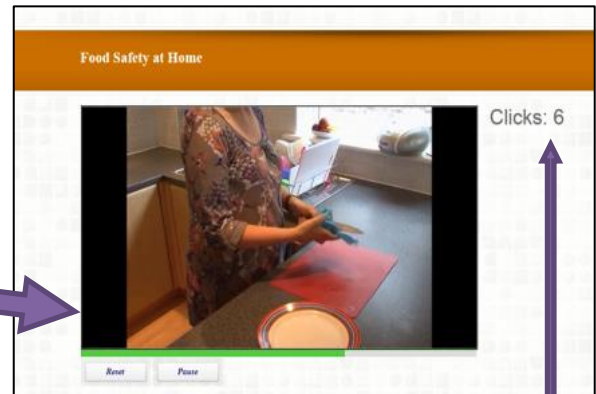

Part 1 - Before the Food Safety Challenge

	Know Nothing			Know a little bit			Know Alot
How much do you think you know about the risk of getting food poisoning?	0	0	0	0	0	0	0
How much do you think other children in your class know about the risk of getting food poisoning?	0	0	0	0	0	0	0

	No risk			A little bit of risk			A lot of risk
How much risk do you think there is of you getting food poisoning?	0	0	0	0	0	0	0
How much risk do you think there is of other children in your class getting food poisoning?	0	0	0	0	0	0	0

Part 2 - The Food Safety Challenge

1. Children will watch a short online video (3 minutes) of someone preparing food at home.
2. They will interact with the film by clicking their mouse where & when they see a food safety hazard.

3. They will receive individual scores and feedback on their answers.

The counter increases with each Click

	"You didn't spot.....This is a hazard because"	
	"Well Done! You spottedThis is a hazard because"	
	"You didn't spot.....This is a hazard because"	
	"Well Done! You spottedThis is a hazard because"	

Part 3 - After the Food Safety Challenge

Children will be asked to review the answers they gave earlier:

These are the answers you gave earlier when we asked you about the risk of getting food poisoning

Now you have tried the Food Safety Challenge would you like to change any of those answers?

Click below to make any changes

	Know Nothing			Know a little bit			Know A lot
How much do you think you know about the risk of getting food poisoning?	0	0	0	0	0	0	0
How much do you think other children in your class know about the risk of getting food poisoning?	0	0	0	0	0	0	0

	No risk			A little bit of risk			A lot of risk
How much risk do you think there is of you getting food poisoning?	0	0	0	0	0	0	0
How much risk do you think there is of other children in your class getting food poisoning?	0	0	0	0	0	0	0
